Shipping Options

International Participants Only:

- Door-to-Door** - NRL will ship to your facility and add shipping and customs clearance costs to your invoice.
 Door-to-Airport (not applicable for NAT programs) - We will ship to the airport of entry and add shipping costs only to your invoice; you will arrange and pay for customs clearance.
- Do you require an import permit for EQAS samples? Yes No
 If Yes, do you have an import permit for shipping time period? Yes No

Authorisation

By placing your order you agree to the Standard Terms and Conditions and the Permitted Use of Materials

Authorisation Name _____ Signature _____

Payment Options

Payments options will be specified on the invoice.

Purchase Order Number (if applicable). _____

Standard Terms and Conditions

- By placing your order you agree to these Standard Terms and Conditions. An invoice will be issued upon receipt of your order.
- All prices are in the currency as indicated. Prices are subject to change - current price list is available online (www.oneworldaccuracy.com).
- Prices exclude shipping and handling fees. These will be added to your invoice.
- Prices for Australian participants exclude GST.
- Prices for international participants exclude applicable customs clearance charges and taxes and holding fees, which shall be your sole responsibility.
- Payment in full is required before first shipment date.
- Due to the nature of these programs and test materials, all sales are final.
- Shipments and/or performance information may be withheld for overdue accounts.
- Test samples may contain pathogenic materials: you assume all risk and responsibility for their receipt, handling, storage use and disposal.

Permitted Use Of Materials

Some EQAS material provided to NRL have restrictions for further use. This material is considered proprietary to NRL and its collaborators.
 For the "Permitted Use of Material" please refer to www.nrl.gov.au.
